7s The Inspector General has
omitted a very important point
in the Budget The grant for
Taluk School buildings he has
placed at the usual figure
of Rs 10,000 Last year he submitted
a large programme of works
estimated at nearly 2½ lakhs,
and pointed out that ~~the~~
buildings ~~costly~~ costing nearly a lakh
were urgently required He was
informed in Proceedings no
7129 dated 18th December 1897
ED 208
that "Government were not
prepared to at once have final

12 orders on his exhaustive program
'of school buildings to be con-
'structed but suitable pro-
vision for the more urgent
buildings chargeable to State
funds might be proposed by him
from time to time in his annual
Budget — — —

— Mr Bhabha further asked
that on account of the school
buildings which were very
urgently required, the Budget
grant of last year (1897-98) be
raised from Rs 10,000 to Rs 54,349 As the
Official year was near its close,
Government in their Proceedings
No 11173-74 / Ed 19-96 dated 10th March 1898
sanctioned only Rs 5000/- more
for that year As most of the
urgent works in question will
have to be taken up this year,
Mr suggested that an additional

13

grant of Rs 26,000 or 30,000 may be at once included in the present Budget, so that the construction of individual works when submitted by the Inspector General may be sanctioned without inconvenience and loss of time

8. The Normal School at Mysore which is maintained from the Village school fund, receives a grant from the Provincial fund equal to one half of its cost The Mysore Municipality had hitherto been having an annual grant of Rs 840/- to the said Normal School That Municipality having been recently relieved of this grant with a view to the amount being spent on Primary Education, the above

Min: a grant of Rs 2 crores for communications to be sanctioned

An addl grant of say Rs 20000 will be demanded if applied for - Include in Statt I. Comml

grant of Rs 840/- has been charged to the present Budget Thus the Provincial Budget (Education) has to bear half the cost of the school plus Rs 840/- It is a matter for consideration whether the Provincial funds may not be relieved of this additional grant of Rs 840/- in consideration of its payment a moiety of the cost of the institution, so that the cost of the school may be divided equally between the two funds (Provincial and Village School) If this is approved, Rs 840/- will have to be deducted from this (State fund) Budget

5 The estimates for 1898-99 exceed the provision for the current year by Rs 9265 The variations under each head which have produced the increase are explained below

I Direction - The Manager's last increment falls due in July next and Rs 120 is accordingly provided for it

II Inspection - The increase under this head is Rs 1392 The increments of Six Deputy Inspectors and two Assistant Deputy Inspectors

amount to Rs 840 || The appointment of a Muhammadan Deputy Inspector for Hindustani Schools with the requisite office establishment in place of one of the two Assistant Deputy Inspectors of Hindustani Schools, sanctioned by Government Order No $\frac{5297-8}{\text{Ed } 144}$ dated the 10th November 1897 has caused an increase of Rs 744 The pay of 8 peons on Rs 5 each has been raised to Rs 6 at an additional cost of Rs 96 by Govt Order No $\frac{12242}{\text{Ed } 312}$ dated 29th March 1898 || In the Budgets for 1895-96, 1896-97 and 1897-98 the number of peons on Rs 7 employed in the offices of Deputy Inspectors was by mistake entered as 3 while the actual number was 4, and the number of peons drawing Rs 6 should have been one less than the number entered in those budgets These four peons had their pay raised from Rs 6 to Rs 7 in January 1893, May 1894, October 1894 and April 1895 The mistake is now rectified and the number of peons drawing Rs 7 is entered as 5 which includes the one recently sanctioned for the office of

the newly appointed Deputy Inspector of Hindustani Schools || The increase of Rs 12 caused by rectifying this mistake and the additional charges noticed above, amount to Rs 1692 There is a decrease however, amounting to Rs 300 a year caused by the retirement of the remaining Assistant Deputy Inspector of Hindustani schools and the transfer of an Assistant Deputy Inspector of Kannada Hobli Schools on Rs 60 to the teaching staff, their successors being given Rs 50 and Rs 50 + 5 personal allowance respectively The net increase of expenditure under inspection therefore amounts to Rs 1,392

To The Secretary to the Government of Mysore,

SIR,

I have the honour to forward herewith a list of increases of grants-in-aid required in 1898-99. Each application has been carefully scrutinised. In the case of girls' and Pareah schools the grant is estimated roughly at half the cost that would be incurred if Government maintained the schools. In the case of other schools the grant is calculated at half the net cost, the other half being met from its own funds by the agency maintaining them. The total increase required is Rs 226½ a month or Rs 2,718 a year. I recommend that Government will be good enough

enough to sanction the amount.
